

Training programme on NDAL - National Database of Arms Licenses for District Morena (M.P.)
21st August 2014

<p>NDAL (National Database of Arms Licenses) training programme was organised by District Administration at NIC Morena on 21.8.2014 at 2:00 PM. Sh.Vivek Singh, ADM Morena emphasized for successful implementation of this mission mode project and asked the Revenue Officers to complete the backlog data within time limit. It was attended by OIC Arms Section, all SDOs, Tehsildar and Data Entry Operators.</p>	
	<p>The DIO NIC Morena demonstrated and explained on line NDAL application on Test Server including all the option of the module like Registration, Reports, Case File Creation, Change Password etc. The hands on training imparted to the Data Entry Operators. Registration can be done for Individual or Sports Persons or Institutional type. After Case File Creation information of licensee cannot be modify.</p>
